C-PEN™

EXAM READER 2™

Designed specifically for use during exams. Supporting struggling readers leading to better outcomes. The Pen is discrete and easy to use.

"We currently have both the C-Pen Exam Reader 2™ and C-Pen Reader 2™ in school. These pens are being used by 8 of our new EAL students. The pens definitely meet the needs of the students, we have discovered through the use of the pens our students are a lot more independent and their performance has increased in all areas. We had no problem with setting up the pens and have implemented these into the students everyday learning. The pens have helped a huge amount within the school, freeing up teacher time so they are able to focus on the whole class. I would highly recommend the C-Pen Exam Reader 2™ and C-Pen Reader 2™ to other schools."
